

COUNCIL

Meets In Regular Session On Monday Night

When A Number Of Matters Were Disposed Of

Ordinance Passed To Open Up Oak Street

City Engineer Blinn Opposes Storm Sewers

Mayor Mitchell Is Requested To Make A Report

The city council met in regular session on Monday evening with all members present. The meeting was called to order with President Edward Dever in the chair. Clerk McIntire read the minutes of the last regular meeting and they were approved, as read, by the council.

A bill was presented for \$16.86 from the clerk of courts for payment of costs against the city, which were acquired in a lawsuit. On motion by Mr. Cole, the bill was ordered paid.

An ordinance was introduced to authorize the director of service to purchase a tract of land of Winifred Gotshall for the purpose of opening and extending Oak street. On motion, the rules were suspended and the ordinance was read for the second and third time by its title and passed on final vote.

Mr. Dowds of the street committee reported that the matter of the surface water sewer at the intersection of Coshocton avenue and Division street had been investigated, but moved that the matter be referred to Engineer Blinn and Service Director Fairchild for further investigation. Carried.

Mr. Weaver moved that the mayor be requested to make his report at the next meeting of the council. Motion carried.

Mr. Cole moved that the clerk be instructed to notify the Pennsylvania Railway Co. to repair the crossing of the switch track on West High street and to notify the B. & O. Railroad Co. to repair the crossing on West Chestnut, West High, West Vine and West Gambler streets. The motion carried.

Mr. Dowds moved that the city solicitor be instructed to attend the meeting of the board of health at the next session and act with them in investigating the sewer on the Weaver lot on North Gay street. The motion prevailed.

Mr. Dubinsky moved that a sidewalk be laid on the south side of West Front street in front of the property owned by the Seeburger estate. Carried.

Mr. Taylor moved that when council adjourn, it be for two weeks. The motion carried.

Engineer Ray Blinn reported unfavorably regarding the installing of the surface water sewer between West High and West Chestnut streets and between North Mechanic and North Norton streets. The matter was discussed by council after the report of the engineer and it was decided to carry it over to the next meeting as different plans can be drawn in the meantime.

Mr. Cole moved that the clerk be instructed to notify the Mt. Vernon Light and Power Co. to bring the grade between the rails of the street car tracks to a level with the rest of the street. This to cover all of the track inside of the city limits. The motion prevailed.

SOME PEANUTS

Mr. George H. Hardesty of this city on Tuesday was exhibiting a "crop" of peanuts which he raised at his residence. Last May Mr. Hardesty planted a single peanut on his lot as an experiment and without giving the soil any special preparation. Apparently the guber was committing race suicide all summer, but after the heavy rain last month there began to develop a very noticeable growth and on Tuesday morning Mr. Hardesty harvested the crop. The steam when removed from the ground revealed the presence of 164 peanuts of various sizes, some of them being quite large. Mr. Hardesty states that this is a small crop as there would have been fully 500 peanuts in their native clime.

IN COMPETENT HANDS

Will Be Office of Clerk Of Courts Under Chas. W. Hayes

In casting about for a suitable person to assist him in conducting the office, Clerk of Courts Belmont's selection fell upon Charles W. Hayes, and that the choice was a good one was demonstrated from the beginning of the term and has continued ever since. As deputy clerk, Mr. Hayes soon became familiar with the duties of the office, showing an aptitude for the work that was unusual. Having so thoroughly equipped himself for the requirements of the office, it was only to be expected that no one would strive against him for the nomination at the primaries.

CHARLES W. HAYES

He is a son of Jacob Hayes of Morgan township. He attended country schools, graduated from the Martinsburg high school, attended Central Normal College at Danville and Ada Normal school at Ada, Ohio. He taught in the public schools for twelve years in Miller, Pleasant and Clinton townships, and in the village of Brandon, and for the last four years has been deputy clerk of courts.

Charley goes before the people asking for election to the office for which he has demonstrated his qualification, and by his election the assurance is given that the office of the clerk of courts will be in thoroughly competent hands.
